Dear students:

I would like to take this opportunity to thank you for your recent letter in which you asked permission to do a rubbing of the stone ledger on the grave of President Truman during your class trip this summer.

I am pleased to grant your request to make this rubbing while you are visiting the Truman Library and Museum. Please bring this letter with you and show it to the staff member who is on duty at the museum entrance. That person will contact one of our security guards who will accompany you to the gravesite while you do the rubbing.

I hope you have an enjoyable and educational trip. Thank you for your kind letter and for your interest in the Harry S. Truman Library and Museum.

Sincerely,

BENEDICT K. ZOBRIST
Director
